## September 2021

Welcome back after another unexpected lockdown! Because of the Covid lockdown, we have had to do a reshuffle of a couple of events on our calendar.

### LOCKDOWN QUIZ NIGHT

Charliot had a whole heap of fun with a lot of you over lockdown running our virtual quiz night. Huge congratulations once again to Robertshaw Rulez for coming first place. I had a lot of fun on the night and I hope the rest of you all did too.

The event was supposed to be held in person on the 27<sup>th</sup> of August but due to us going back into Level Four we did the best with what we could and made a way for us to have a wee bit of a distraction during a stressful time.

Here's a question for you from the night:

What is the name of this animal?

# “BACK ON STAGE”

Due to Covid 19 and our recent lockdown we are unable to stage the production “All Together Now”.

Instead, the theatre has put together a production similar in style to the original one but with a different range of songs from different musical shows and films. We are calling it “Back on Stage”. It is a celebration of musical theatre, and it is about bringing people back to enjoy what theatre is all about. The songs will include well known ones that people can sing along to, to some more contemporary ones that people may not have heard before. There will be a range of soloists, duets, and chorus numbers with people of varying ages performing them.

All in all, it is a celebration of musical theatre at its best and we hope that you will come and support us and enjoy the show.
